

DETROIT COUNTRY DAY LOWER SCHOOL (PREK4-2ND GRADE) FALL SOCCER CLINIC

Play 4 Fun Sports and Detroit Country Day present this outstanding after school soccer clinic, twice weekly (on Mondays and Fridays) for four weeks, starting September 19th. This is a great chance for your child to have fun playing soccer while developing their skills. Each session will concentrate on skill development, where coaches will work in group settings and train your child in the fundamentals of the game. Kids will stay active and get valuable exercise, through drill work, skill development, and games. We believe it's important to develop athletic skills without sacrificing the enjoyment of playing sports. Kids should enjoy learning to improve and playing sports, so games will be played weekly stressing the skills developed during that session. Your child will have a great time playing and learning the game!
