

WOODLAND WINTER AFTER SCHOOL BASKETBALL

Gone are the days where the neighborhood kids gathered in their backyards and open lots to play sports. Many kids follow up school with television or video games. Play 4 Fun Sports wants to change that!

Play 4 Fun Sports presents this basketball program, which will provide instruction, skill building games, and competitive play as kids have fun learning the game and playing with their friends. Kids will get some great exercise, work as a team, and improve their game.
