

BLOOMFIELD AFTER SCHOOL BASKETBALL & VOLLEYBALL

Learn to Play!

Have Fun!

Great Exercise!

Play 4 Fun Sports presents another great session of After School Basketball and partners with Michigan Elite Volleyball Club to present outstanding Volleyball programs.

Kindergarten & 1st Grade and 2nd & 3rd Grade AFTER SCHOOL BASKETBALL divisions enable kids to learn and play with boys and girls their own age! Coaches provide age appropriate instruction, as they help kids develop dribbling, passing, shooting, defensive skills, and a love for the game!

2nd-4th Grade *MINI VOLLEYBALL* is for girls and boys who want to learn volleyball with fun and enjoyment being the focal point. We incorporate team play with motor learning and skill development. This program includes: Lower nets, smaller courts, 4 players per side when playing, lighter balls, over net and multiple contact emphasis, and a focus on passing, serving and attacking.
